2. **Academic Year:** NTUST runs 2 semesters in each academic year. Spring semester is scheduled from February to June, while fall semester is from September to January of the following year.

3. **Entry Requirements:** The Dual Degree Program is only available for students who are currently enrolled in one of our partner universities.

4. Application

Application Timetable		
Date	Schedule	Detail
Sept. 1, 2022	Guidelines available and application portal opens for 2023 Spring Semester Admission	If you would like to apply to the National Taiwan University of Science and Technology (Taiwan Tech) as an international dual degree student, you must first find a referee from your home university or Taiwan Tech who will need to be able to confirm your identity as a dual degree student. Your application will not be considered if we do not receive a response from your referee.
Sept. 1, 2022 to Oct. 14, 2022 (end at 12:00 noon)	Online application period	<ul style="list-style-type: none"> - Please remember your application account. You will need it to change the application information, upload documents, and check your application status and admission results. - All required documents shall be uploaded in PDF files, except for the photo which shall be in JPG format. Each document shall not be larger than 5MB. Applicants are to upload each of the documents to its respective field. Only one file for each field is accepted. Thus, if applicants have multiple files for a field, applicants will need to combine them into one file first before uploading.
Nov. 28, 2022 14:00	1 st stage announcement of admission and NTUST scholarships result	This is a preliminary result regarding NTUST scholarships. For those who have been awarded a full scholarship, the result has already been confirmed. For those who have been awarded a partial scholarship, a tuition fees waiver scholarship, or no scholarship at all, this result might be upgraded if the scholarship recipients decline the offer of admission. The resulting scholarship vacancies will be filled in sequence by students ranked lower than the vacancy on the admissions list.

Application Timetable

5. NTUST Scholarships

Graduate students from abroad apply for admission to the double degree program may apply for one year's scholarship; continuation of the scholarship depends on the student's academic and research performance. The type of NTUST scholarship will be determined by the department based on the applicant's qualifications. For scholarship recipients, tuition and fees are waived for each year of the scholarship. Applicants could apply for this scholarship through the admission application system. For further information, please refer to the following website: <https://oia-r.ntust.edu.tw/p/412-1060-8931.php?Lang=en>

Type of NTUST scholarship		Duration	Amount of scholarship
Full scholarship	Master's program	Maximum 1 years	NT\$12,000 per month
	Ph.D. program	Maximum 3 years	NT\$18,000 per month
Partial scholarship	Master's program	Maximum 1 years	NT\$ 9,000 per month
	Ph.D. program	Maximum 3 years	NT\$12,500 per month
Tuition waiver	Master's program	Maximum 1 years	
	Ph.D. program	Maximum 3 years	

** For the NTUST scholarship recipient, both those receiving a full monthly stipend and those with a partial monthly stipend, the department or thesis advisor

must provide NTD2,000 of the monthly stipend to master's students and NTD3,000 of the monthly stipend to doctoral students, with the remaining portion of the stipend provided by the university. This regulation will be applied beginning from the second year of master's and doctoral degree students, continuing into the third year of doctoral degree students; some of the departments may put this policy into practice starting from the first year. For example: a master's degree student with a full monthly stipend will receive NTD2,000 from the department and NTD10,000 from the university.

6. Application Results

Applicants will be informed to check the admission result via online application system by email and Letter of Admission will be sent by postal service. Please provide an actual postal mailing address for sending the Admission letter. Applicants must take full responsibility of the consequences if the Admission letter is undeliverable due to an incorrect mailing address or wrong personal information.

7. Confirmation of Your Intention to Enroll

Admitted applicants should reply their intention for enrollment by logging in to online application system in compliance with the schedule indicated in admission notice to complete online reply procedures. Failure to submit within deadline will be regarded as voluntarily giving up admission. Admitted applicants can defer their admission for one semester. If admitted applicants want to defer their admissions to next semester, please first select positive answer for their intention for enrollment, and then later start the procedure for deferral.
